

ABDOMINAL DETOX MASSAGE course

25,000 baht per person / 20 hours / 5 days

Abdominal Detox Massage, also known as Chi Nei Tsang in Master Mantak Chia's school, is an internal organ chi massage combined with Thai abdominal reflex points. People often develop energy blockages in and around their internal organs that result in muscular stress including knots and tangles in the abdominal area. These blockages can constrict the flow of chi (the life-force energy), eventually resulting in physical ailments. By using Abdominal Detox Massage's techniques of navel and deep organ energy massage you learn to release and clear blockages, toxins, excessive heat and negative emotions. You will also learn how to inject good energy back into the vital organs and glands.

NUAD KARSAI course

30,000 baht per person / 20 hours / 5 days

Nuad Karsai, also known as Genital Detox Massage or Karsai Nei Tsang, has been developed specifically for improving the health of the genitals and the genital area. The Nuad Karsai practitioner uses deep, direct pressure with small circular massage movements to break up and dissolve the sedimentation in the abdominal and genital circulatory system. Nuad Karsai releases the toxicity and removes the physical and emotional blockages in the pelvic area. Genital Detox Massage addresses the common problems associated with our sexual organs: impotency, frequent and difficult urination, painful menstruation, infertility, painful intercourse and low sexual libido. It is also effective in alleviating back pain, improving the body's alignment, strengthening the pelvic floor muscles and increasing general vitality.
